

ADECO® 4T MOTO POWER 10W40

Motor oil for four-stroke gasoline engines with air cooling

Product Description:

ADECO® 4T MOTO POWER 10W40 is a high-performance semi-synthetic oil intended for lubrication of four-stroke petrol engines, motorcycles and scooters.

Purpose:

ADECO® 4T MOTO POWER 10W40 is oil especially prepared for the lubrication of motorcycle lubrication systems where the engine, transmission and clutch are integrated providing superior performance. It is developed to provide unsurpassed wear protection, engine cleanliness and oxidative stability, as well as constant oil viscosity at different operating temperatures.

Physical and Chemical Properties:

<i>Characteristic, Unit</i>	<i>Referential Values</i>	<i>Method</i>
Density at 15°C, g/cm ³	0,87 – 0,88	ASTM D 1298
Viscosity at 100°C, cSt	14 – 15	ASTM D 445
Indeks viskoziteta	min140	ASTM D 445; D 2161
Flash Point, COC, °C	min 220	ASTM D 92
Pour Point, °C	max -25	ASTM D 97

Meet Specifications:

API SL, JASO MA2

Packaging: 600 mL
